*Looking for a property abroad?*

*You're probably already well aware that the overseas property market in certain countries has experienced tremendous growth over the past couple of years.*

*If you've been thinking about buying a property abroad for your retirement, or as a holiday retreat, then now, might be the time to take the plunge, and take advantage of still low interest rates, and the opportunities that still exist to find a real bargain. As well as a popular lifestyle choice buying property abroad can also be a solid investment.*

*Relatively low prices for properties in new markets such as Croatia and Bulgaria offer exciting opportunities. But it's vital to act quickly. If you want to find out more about the current and the emerging markets we have produced a series of **Free Fact Sheets**, packed with valuable information, you really should not be without if you are seriously looking to buy abroad.*

*You can download the Free Fact Sheets by going to:*
