*Dear Diner,*

*We'd love you to visit us, and savour our newly created evening menu. Our Head Chef, has created an impressive, mouth-watering, selection of dishes that will set your taste buds buzzing.*

*As well as traditional favourites such as: juicy steaks, chops, and chicken dishes, he has created a superb selection of sea-food dishes, and kebab specialities. All our meals are made with carefully selected ingredients, and are prepared fresh by people who have a real love of cooking and good food, and always under the guidance of our Head Chef.*

*So, please accept this selective invitation to visit our fine restaurant. As a selected neighbourhood recipient this voucher entitles you to **50% OFF** all selected meals from our evening menu. Please give us a call to reserve your table; you will receive a warm welcome, and enjoy a fine dining experience.*
